**PETITION TO INTERVENE OF
PACIFIC NORTHWEST GENERATING COOPERATIVE**

Pursuant to the Federal Register notice, 87 Fed. Reg. 71,317 (November 22, 2022), regarding the Bonneville Power Administration (“BPA”) Proposed Modifications to Open Access Transmission Tariff; Public Hearing and Opportunities for Public Review and Comment, and Section 1010.6 of BPA’s 2018 Rules of Procedure, Pacific Northwest Generating Cooperative d/b/a PNGC Power (“PNGC Power”) hereby petitions for leave to intervene as a party in the above-captioned proceeding.

PNGC Power is a cooperative corporation organized under the laws of the State of Oregon and a Joint Operating Entity pursuant to the Northwest Power Act, 16 USC § 839c(b)(7). PNGC Power directly purchases wholesale power and transmission services from BPA to meet the requirements of its sixteen (16) distribution cooperative members. The non-rate terms and conditions across the Federal Columbia River Transmission System are included within the BPA Open Access Transmission Tariff. This proceeding modified such non-rate terms and conditions. Accordingly, PNGC Power has a direct and substantial interest in this proceeding.
