BPA File No.: BP-20

**PETITION TO INTERVENE OF
THE PUBLIC POWER COUNCIL**

Pursuant to Section 1010.6 of the Rules of Procedure of the Bonneville Power Administration (BPA) and the Federal Register Notice dated December 6, 2018 (83 Fed. Reg. 62,849), the Public Power Council (PPC) hereby petitions for leave to intervene as a party in the above-captioned proceeding. BPA commenced this proceeding to establish power, transmission, and ancillary and control area services rates for fiscal years 2020 and 2021.

PPC is a non-profit trade organization that represents the common interests of approximately 100 consumer-owned electric utilities in the Pacific Northwest that are preference customers of BPA. PPC's members directly purchase power, transmission, and ancillary services from BPA at the rates set by BPA in its rate proceedings. Therefore, PPC has a direct and substantial interest in participating in this proceeding.

All pleadings, materials, and other communications relating to this proceeding should be served on the following individuals:
