**DEFINED TERMS**

**TESTIMONY AND EXHIBITS**

Headings. Section 1010.13(a)(2) of the Rules of Procedure requires that each section of a Litigant’s prefiled testimony include a heading setting forth its subject matter. This order clarifies that these headings will not constitute Evidence.

When filing conformed copies of Prefiled Testimony and Exhibits on the Secure Website, the offering Litigant must denote the document number of the order striking the disallowed portions of the Prefiled Testimony and Exhibits in the “related document” field.

**GENERAL**

Objections and motions to strike must briefly state the specific grounds for objection.

Section 1010.13(a)(3) of the Rules of Procedure states that if prefiled testimony is based on the witness’s understanding of the law, the witness shall so state in the
